## PHOTOCEUTICAL<sup>®</sup>

### AM REJUVENATION

with Multi-peptide complex

1 Fl. Oz / 29 ml

#### Product Description

TIZO<sup>®</sup> AM Rejuvenation leaves skin feeling extremely soft, revitalized, and with a healthy-looking radiance that minimizes the appearance of pores, lines and wrinkles. Helps brighten and maintain an even skin tone. Antioxidants and anti-glycation ingredients help reduce further damage.

#### Key Ingredients

Multi-peptide complex (Matrixyl 3000)

Niacinimide (Vitamin B3)

Antioxidants blend (Selenium, vitamins C & E, modified Amino Acid)

Osmanthus Fragrans Flower Extract  
(Derived from Asian Tea Olive)

#### Key Benefits

- Peptide Complex helps soften fine lines and wrinkles for younger looking skin
- Brightens and maintains an even skin tone
- Antioxidants and anti-glycation ingredients reduce the damaging effects of Reactive Oxygen Species

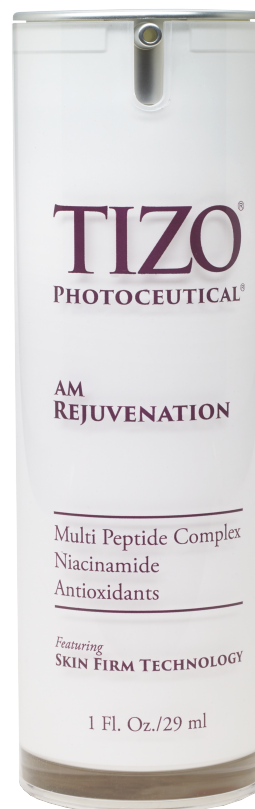

#### Directions For Use

- After cleansing skin with TIZO<sup>®</sup> Foaming Cleanser, apply to face, neck and décolleté. Blend gently.

#### Skin Firm Technology<sup>®</sup>

A unique, anhydrous delivery system that gradually and continuously releases powerful performance ingredients. Creates an invisible matte finish.

Addresses trans-epidermal water loss to help maintain skin's natural moisture. Non-comedogenic.

ANTIOXIDANTS

NO ANIMAL TESTING

PRESERVATIVE FREE

#### Inactive Ingredients:

Cyclopentasiloxane, Isononyl Isononanoate, Dimethicone Crosspolymer, Cyclohexasiloxane, Isohexadecane, Isododecane, Boron Nitride, Mica, Glycerin, Water, Lauryl PEG/PPG-18/18 Hydrogen Dimethicone, Caprylyl Glycol, Polysorbate 20, Dimethicone/Vinyl Dimethicone Crosspolymer, Dimethiconol, Acetyl Methionyl Decarboxymethionine, Methylsilanol Mannuronate, Tocopheryl Acetate, Caprylhydroxamic Acid, Niacinimide, Saccharomyces/Selenium Ferment, Butylene Glycol, Tetrahexadecyl Ascorbate, Triethoxycaplylsilane, Palmitoyl Tripeptide-1, Palmitoyl Tetrapeptide-7, Carbomer, Osmanthus Fragrans Flower Extract, 1,3-Propanediol Matrixyl<sup>™</sup> 3000 is used under authorization of Sederma Inc.
