

TIZO[®]

PM RESTORE

Night Serum with Retinol

1 Fl. Oz / 29 ml

Product Description

TIZO[®] PM Restore helps even out pigment irregularities while improving skin firmness and texture. Formulated with antioxidants to help protect against free radicals. Retinol Complex helps visibly correct signs of aging with little to no irritation.

Key Ingredients

Retinol Complex
Ceramides
Antioxidants C & E

Key Benefits

- Helps accelerate cellular turnover, improving tone and texture
- Helps reduce appearance of fine lines and wrinkles
- Antioxidant protection to reduce free radicals
- Helps restore skin's natural lipid layer balance

Directions For Use

- At night, after cleansing skin with TIZO[®] Foaming Cleanser, apply to face, neck and décolleté

Skin Firm Technology[®]

A unique, anhydrous delivery system that gradually and continuously releases powerful performance ingredients. Creates an invisible matte finish. Addresses trans-epidermal water loss to help maintain skin's natural moisture. Non-comedogenic.

PHOTOCEUTICAL[®]
