

TIZO[®]

SHEERFOAM[™]

SPF 30

Tinted or Non-Tinted

Product Description

TIZO[®] SheerFoam[™] Sunscreen is a patented mineral sunscreen, available with universally tint or non-tinted. This unique formulation offers sheer, weightless protection while providing superb photo-protective performance. This light, foaming sunscreen dries virtually invisible on any complexion.

Active Ingredients

Titanium Dioxide 3% (Sunscreen)

Zinc Oxide 10% (Sunscreen)

Key Benefits

- Physical broad spectrum protection reflects UVA/UVB rays
- FREE of chemical sunscreen filters, dyes, oils, fragrances, preservatives, phthalates and parabens
- Gentle enough for all skin, even the most sensitive skin
- Foam spreads easily; great for kids
- Photostable, will NOT degrade in sunlight
- Water Resistant (40 minutes)

Directions For Use

- Shake well before using
- Push nozzle up to release safety tab
- Apply liberally 15 minutes before sun exposure
- Reapply after 40 minutes of swimming or sweating or immediately after towel drying.
- Reapply at least every 2 hours
- Children under 6 months: Ask a doctor
- May stain some fabrics
