

# Post Procedure Skin Recovery Kit

# TIZO®

*Gently soothes and protects skin as it heals*

**TIZO® Post-Procedure Skin Recovery Kit** provides the gentle care skin needs during the sensitive period after a chemical peel, microdermabrasion, or other superficial procedure.

## Kit Contains the following products:

**TIZO® Foaming Cleanser:** Formulated with Taurine, Niacinamide, and Cucumber Extract, TIZO® Foaming Cleanser is pH balanced to be gentle on all skin types.

**TIZO® Ultra Zinc Non-Tinted SPF 40:** Mineral Sunscreen. 20% Zinc Oxide formula calms, soothes and moisturizes. Free of chemical sunscreens, dyes, fragrances, oils and preservatives. Reef-friendly.

**TIZO® Environmental Skin Protectant:** Soothes and protects as skin recovers.

## Directions For Use:

**TIZO® Foaming Cleanser:** Apply one pump to moistened skin and massage with soft cloth or hands. Rinse with warm water and gently pat dry. Use morning and evening.

### **TIZO® Ultra Zinc Non-Tinted SPF 40:**

- Apply liberally 15 minutes before sun exposure.
- Reapply:
  - After 40 minutes of swimming, or sweating.
  - Immediately after towel drying.
  - At least every 2 hours.
- Children under 6 months: Ask a doctor

**TIZO® Environmental Skin Protectant:** Gently cleanse and dry affected area with TIZO® Foaming Cleanser. Apply as needed to dry, irritated skin.

All TIZO® Photoceutical® Products Are:

Not Tested on Animals • Gluten Free • Free of Fragrances, Dyes & Parabens
