

# LIP DUO

TWO SIMPLE STEPS TO RENEWED LIPS

COSMECEUTICALS

INNOVATIVE SKINCARE

## LIP POLISH

A gentle and effective scrub with powerful antioxidants of Vitamins C and E, blended with intensely rich botanical butters encourages exfoliation and helps to smooth and hydrate lips, leaving them with a healthy glow.

### BENEFITS

Provides antioxidant protection Gently exfoliates to reveal softer, smoother texture Conditions, hydrates, and softens skin.

## YOUTH LIP ELIXIR

This luxurious and highly moisturizing elixir visibly smooths and hydrates as it enhances, softens, and plumps the overall appearance of the lips. This innovative formula combines the purest and most powerful clinically proven botanical extracts and antioxidants including Hyaluronic Acid, Vitamins C, E, & B5, Shea & Cocoa Butter, and our proprietary combination of Extremozymes which provide unprecedented multilevel protection against dangerous environmental stressors.

### BENEFITS

Provides intense hydration

Visibly improves the appearance of dry and dehydrated lips

Plumps and smooths

Helps redfine lip contour (the Vermillion Border)

Provides Immediate and long-term improvements
