Post Procedure Skin Recovery Kit

Gently soothes and protects skin as it heals

TIZO[®] Post-Procedure Skin Recovery Kit provides the gentle care skin needs during the sensitive period after a chemical peel, microdermabrasion, or other superficial procedure.

Direction For Use:

TIZO[®] Foaming Cleanser:

Apply one pump to moistened skin and massage with soft cloth or hands. Rinse with warm water and gently pat dry.

Use morning and evening.

TIZO[®] Ultra Zinc Non-Tinted SPF 40:

- Apply liberally 15 minutes before sun exposure.
- Reapply:
 - After 40 minutes of swimming, or sweating.
 - Immediately after toweling: drying.
 - At least every 2 hours.

• Children under 6 months: Ask a doctor

Directions For Professional Use.
See Complete Directions in package insert.

To be used only by a licensed professional.

- Cleanse and prepare the skin
- Apply Rapid Exfoliator AHA Peel Solution evenly to skin using a fan brush or applicator
- AHA peel may be left on the skin up to 5 minutes, then must be neutralized by spraying with TIZO[®] Neutralized Mist
- Gently rinse and cleanse
- Apply an even layer of 10% Retinol Reversal
- Once the Retinol Reversal has dried, apply a general mineral sunscreen
- The patient may be sent home with the retinol in place and can wash it off after 8 hours (4 if is skin sensitive) or a bed time

PRODUCT DESCRIPTION

TIZO[®] Photoceutical[®] AHA/Retinol Peel System

is a twofold superficial peel specifically designed to address the visible signs of pigmentary changes, photoaging, photodamage, and acne while achieving a more even skin tone and texture. The initial peel combines Mandelic, Lactic, and Phytic Acids (all AHA's) with three brightening enhancers. After neutralization, this is followed by an application of Retinol Reversal, a proprietary blend of 10% Retinol delivered through time-release TIZO[®] Skin Firm Technology[®].

Kit Contains the following materials for a single peel:

- 1 Rapid Exfoliator AHA peel vial
- 1 Neutralizer Mist bottle (1 oz.)
- 5 g jar 10% Retinol Reversal (Time-Release)

TIZO[®]

Kit Contains the following product:

TIZO[®] foaming Cleanser: Formulated with Taurine, Niacinamide, and Cucumber Extract, TIZO[®] Foaming Cleanser is pH balanced to be gentle on all skin types.

TIZO[®] Ultra Zinc Non-Tinted SPF 40: Mineral Sunscreen. 20% Zinc Oxide formula calms, Soothes and moisturizes. Free of chemical sunscreens, dyes, fragrances, oils and preservatives. Reef-friendly. **TIZO[®] Environmental Skin Protectant:** Soothes and protects as skin recovers.

Titanium and Zinc Oxides.*

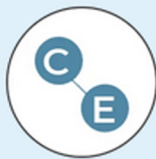

TIZO[®]

SUNSCREENS & SKINCARE

TIZO[®] is dedicated to creating 100% mineral photoprotection that is highly efficacious, exceptionally elegant and versatile for use on virtually all skin types and tones.

Good for your skin. Good for the environment.

Antioxidants

Preservative Free

All Mineral

Reef Friendly

MULTI PEPTIDE-COMPLEX

AM REJUVENATION

Formulated with Peptides, Niacinamide, Vitamins C & E and Selenium. AM Rejuvenation is perfect for daily use as it leaves skin feeling extremely soft, revitalized and with a healthy looking radiance that minimizes the appearance of pores, fine lines & wrinkles.

ACTIVE INGREDIENTS

Cyclopentasiloxane, Isononyl Isononanoate, Dimethicone Crosspolymer, Cyclohexasiloxane, Isohexadecane, Isododecane, Boron Nitride

GENTLE, pH Balanced

FOAMING CLEANSER

Formulated with Taurine, Niacinamide and Cucumber Extract and is pH balanced to be gentle on all skin types. Designed to effectively remove products from the skin as well as pollution and particulate matter. Leaves skin refreshed and clean without being stripped of essential oils.

ACTIVE INGREDIENTS

Sodium C14-16 Olefin Sulfonate, Glycerin, Taurine, Disodium Cocoamphodiacetate, Sodium Lauroyl Sarcosinate, Polysorbate 80, Niacinamide.

3 GENTLE BRIGHTENERS

COMPLEXION BRIGHTENER

Complexion Brightener is a unique blend of ingredients to help even and brighten the skin's appearance naturally. It is also an elegant moisturizer to reduce the skin's pigment imperfections for an overall even appearance.

ACTIVE INGREDIENTS

Capric/Caprylic Triglyceride, Dimethylisobutylate, Cyclopentasiloxane, C12-15 Alkyl Benzoate, Dimethicone, Glycerin, Niacinamide.

SKIN PROTECTANT

ENVIROMENTAL SKIN PROTECTANT

Environmental Skin Protectant helps to protect the skin from environmental pollutants and particulate matter. Formulated with copper peptides, TIZO® Skin Protectant works to improve skin's texture and hydration.

ACTIVE INGREDIENTS

Dimethicone 3%

SPF 40 Tinted or Non-Tinted

AM REPLENISH

Formulated with Zinc Oxide, Ceramides, Vitamins C and E. Zinc Oxide protects against UV damage and Ceramides help restore the lipid layer. TIZO® AM Replenish helps prevent future UV damage and aids in the repair of existing damage resulting in long lasting moisturization.

ACTIVE INGREDIENTS

Zinc Oxide 16%

MOISTURIZER

RENEWABLE MOISTURIZER

Renewable Moisturizer is a soothing, lightweight formula that is excellent for post procedure and after sun exposure. It is non-greasy and contains hyaluronic acid for added moisturization. TIZO® Renewable Moisturizer renews with light water application.

ACTIVE INGREDIENTS

Hyaluronic Acid, Bisabolol, Glycerin

NIGHT SERUM With Retinol

PM RESTORE

Visibly corrects signs of aging by reducing the appearance of fine lines and wrinkles with little to no irritation. PM Restore helps even out pigmentary irregularities and smoothness while improving skin firmness and texture.

ACTIVE INGREDIENTS

Retinol Complex, Ceramides, Antioxidants C&E

SPF 40 Non-Tinted PA++++

PRIMER/SUNSCREEN

TIZO2 is a non-tinted facial mineral sunscreen that offers cosmetically elegant sun protection with a matte finish. TIZO2 layers invisibly under makeup to replace one's foundation primer. Physical broad spectrum protection and great for post procedure use.

ACTIVE INGREDIENTS
